

CHILDREN'S DAY CARNIVAL ORGANIZING COMMITTEE

CHILDREN'S DAY CARNIVAL 2014

Held on Children's Day, this year's SAPTA Food & Fun Fair was themed **SAINTS WORLD CUP!** Filled with various cuisines from footballing nations and soccer-inspired game stalls, the carnival was a resounding success, putting huge smiles on many of our Junior Boys on Children's Day.

We would like to express our heartfelt thanks to all parents who were involved and selflessly contributed to the carnival. Your generosity and invaluable support have helped us raise almost \$10,000 for our **SAPTA Cares** Fund. This will go a long way in supporting SAJS boys from less privileged backgrounds though out 2015.

TAN YAN KIT

I was honoured and privileged to be able to work with a big group of dedicated, caring and devoted parents and committee members with one goal in mind – "To make this Carnival the most unforgettable event the boys have ever experienced." I was touched by the response from parents of all levels who volunteered and approached us to sponsor or adopt the food and games stalls.

We have also taken this opportunity to remind our boys that in times of happiness and celebration, we do not forget the less fortunate. 50% of the proceeds collected will be used for our FAS students and this clearly demonstrated – "Empathy" one of the school's core values.

Seminars & Workshops

PARENTS LEARNING FESTIVAL 2014

The annual Parents Learning Festival jointly organized by SAPTA and SAJS was held on 29 March. Taught by our very own SAJS teachers, parents who attended were given insights and armed with skills to support their sons in the various subjects taught in school. SAPTA members received a 50% discount for the event.

HOW TO INSPIRE YOUR STUDENTS TO BE A CHAMPION

SAPTA invited Mr Peter Ho, a top education success coach from MindChamps to conduct a workshop for Primary 5 & 6 parents and their sons in February, Focused on nurturing the right mindset for exams and life, the free workshop for which SAPTA members were given priority in booking, was very well-received and we hope to conduct similar workshops in the future.

Teacher's Day Lunch

MRS WONG BIN ENG

Once again, we were reminded how blessed we are. We were amazed by the elaborate luncheon prepared by Parent Volunteers, SAPTA and Church of Ascension. Our sincere appreciation for the hours of hard work put in to prepare the food and the way you worked as a team to dress up the dining area. My teachers and I are deeply touched.
